

Family/Marital Mediation Fee Agreement

We, _____, have been advised of the fee schedule for the services of Conflict Resolution & Conciliation Services (CR†CS). We understand that the fees applicable to the mediation process in which we have agreed to participate include:

- a) A flat fee of \$170 for each intake - up to two hours duration. Intake will be conducted with each participant. Additional intake time after the first two hours will be \$85 per hour.
- b) Mediation session fees of \$240 per hour, (minimum session of two hours; sessions on weekends, holidays, or portions after 6:00 p.m. are an additional twenty percent.). Time incurred outside of sessions from contact by either party, whether in person, by phone, or in e-mail review and response, and case administration time (except session scheduling) is at a fee of one-half the mediation session hourly rate.
- c) A memorandum of agreement preparation fee of \$120 per hour (\$60 per hour per party if paying separately) (minimum three-hour fee). This fee also applies to preparing a requested advisory opinion.
- d) A fee for any required regional travel time at the rate of one-half the mediation session hourly rate plus mileage at the rate of \$.50 per mile.
- e) All direct costs of CR†CS and the conciliators associated with the case, including long distance telephone calls, travel, parking, written resources provided, and other out of pocket expenses.
- f) A cancellation fee of \$170 is payable by a party who causes a cancellation of any scheduled session with less than 24 hours notice.

We agree to pay all fees and costs of the conciliation process in accordance with the above schedule and the ICC Rules. We agree to pay for fees for each session as they are incurred, direct costs as invoiced, a deposit prior to the preparation of an agreement and the balance upon delivery of the agreement. If we are unable to pay fees when due, we must request alternate arrangements with CR†CS in advance. Unless otherwise agreed, interest shall be charged at the rate of one percent per month to balances outstanding over 30 days; in the event collection action is initiated, we agree to pay all costs and fees associated with such action, including attorney and conciliator fees.

We agree to pay our fees from our joint / marital resources unless a separate payment election is made below.
